

2nd Annual Festival of Lights Fundraising Gala

The Mt. Holly Community Historical Museum "Festival of Lights" committee is putting the finishing touches on this year's gala fundraising event. Mark your calendar for Saturday, December 2, reserve your table and meet many of your friends and neighbors at The Roundhouse at Jackson Gore beginning at 6:30pm for a celebratory evening to include a wonderful dinner, silent and live auction and musical entertainment by Jamie Ward.

Over 45 wreaths will be offered, each with a unique theme. Area businesses and artists are donating their talents, creating imaginatively decorated wreaths and some trees that will be taken home by the highest bidders! There will be a something for everyone from Maple Syrup to Broadway Show tickets.

This is a major fundraising event for the Perkins House Museum restoration fund. Through the generosity of our donors and auction participants, last years event was extremely successful.

\$45 per person, cash bar.
